Dear Partner,

Please find enclosed the communication from the Grant Office of our University about the Marie Curie Postdoctoral Fellowships at the University of Macerata.

Kind regards,

Dear Colleagues,

our Grant Office has just published its 2022 Announcement for expression of interest for the Marie Curie Postdoctoral Fellowships (Horizon Europe programme) at the University of Macerata.

The Marie Sklodowska-Curie Postdoctoral Fellowships are among the flagship and most prestigious research fellowships in Europe, and are open to all the researchers with no age or research domains restrictions. UNIMC will offer travel grants, a training and funding support package and a proofreading grant to those researchers who will want to apply for the fellowships having Macerata as host institution.

We kindly ask you to forward the announcement to the researchers in your University.

Thank you very much for your collaboration,

Kind regards

### TRAVEL GRANTS FOR MSCA POSTDOCTORAL FELLOWSHIPS APPLICATIONS @ UNIMC

#### Announcement for expressions of interest - University of Macerata, Italy

Are you interested in becoming a Marie Curie Postdoc Fellow and work on your own research project? Are you willing to have the University of Macerata as your host institution, or return host institution?

Then you should apply for a Marie Sklodowska-Curie Postdoctoral Fellowship, aimed at promoting excellent research across borders.

The University of Macerata will award a **training and support package to a group of very talented researchers willing to apply to the European MSCA Postdoctoral Fellowships call** with a research project involving the University of Macerata as host institution (European Fellowships) or return host institution (Global Fellowships).

The package includes:

- Access to the MSCA@UNIMC 2022 Masterclass (to be held in Macerata from 23 May to 3 June, 2022) for training on how to write a successful MSCA proposal, held by MSCA experts;
