Dear Friends and Colleagues,

We are thrilled to share with you an exciting opportunity for Greek university students, who seek to gain professional experience in the United States. The application for the 2025 Ambassadors Fund for Summer Work Travel (SWT) Scholarship is now open for Greece!

This year, the U.S. Mission to Greece will offer 10 scholarships for Greek university students, who will be selected to participate in the 2025 Ambassadors Fund for Summer Work Travel (SWT) Scholarship program.

Applications opened on October 1 and will close on November 15, 2024. Please see details on the [flyer](#). Space is limited.

Recipients of this scholarship will travel to the United States for up to four months during their university summer break. Recipients will be matched with host employers in seasonal communities throughout the United States, and will work in seasonal, entry-level jobs with a high-level of interaction with American colleagues and guests. Recipients will meet, work, live with and learn from both people of the United States and other international students while sharing daily experiences.

The scholarships will offer a unique opportunity for university students interested in building diverse skills, as well as exploring the United States and building networks with fellow students from the U.S. and around the world. The program is implemented by Greenheart International and is sponsored by the U.S. Department of State and U.S. Mission to Greece.
