

SPARC

22nd TOPICAL WORKSHOP OF THE STORED PARTICLES ATOMIC PHYSICS RESEARCH COLLABORATION

The 22nd Topical Workshop of the Stored Particles Atomic physics Research Collaboration SPARC will be held at the University of Ioannina conference center *Karolos Papoulias*, in Ioannina, Greece, from Monday 15th to Thursday 18th September 2025.

Topics

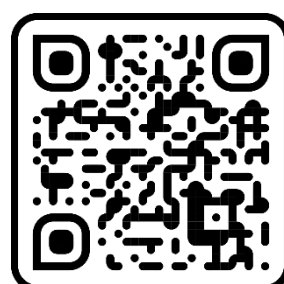

- Atomic Collisions with Highly Charged Ions
- Critical and Super-critical Fields
- Laser and X-ray Spectroscopy
- Cross-link between Atomic and Nuclear Physics
- Astrophysics with Highly Charged Ions
- Status of Beam Times
- Status of FAIR Facilities and Instrumentation
- Status of the SPARC Collaboration

Local Organizing Committee

Emmanouil Benis
Lazaros Varvarezos
Christos Zois
